Negotiation Document

The purpose of this document is to allow BDSM practitioners to state their preferences for various activities that they may not initially feel comfortable about discussing personally. It is intended to provide a method by which people can suggest activities and types of play to their partner or caution them about what sort of activities would not be acceptable.

For each item, you need to provide two answers:

* For experience, write YES or NO next to indicate if you have ever DONE that activity. Mark N/A if it does not apply to your gender.

* For willingness, indicate for each item how you feel about DOING that activity by rating it on a scale of NO or 0 to 5.

"?" means you don't understand what the item is attempting to describe.

NO means you will NOT do that item under any circumstances (a hard limit).

0 (zero) indicates you have utterly no desire to do that activity and don't like doing it (or don't want to try it) (in fact, may loathe it) and would ordinarily object to doing it, but you would permit the Dominant to do it if it they really wanted it. (sometimes called a "soft limit").

1 means you don't want to do or like to do this activity, but wouldn't object if it was asked of you.

2 means you are willing to do this activity (or would like to try), but it has no special appeal for you.

3 means you usually like doing this activity (or would like to try it), at least on an irregular/ occasional basis.

4 means you like doing this activity (or would like to try), and would like to experience it on a regular basis.

5 means the activity is a wild turn-on for you, and you would like (or would like to try) it as often as possible.

* Mark with an asterisk (*) those items which you are willing to do only with your current sex partner(s), but not with casual playpartners.

* Note any additional information or nuances which might be important for your Dom to know in the margin to the right. These may also include the following:

B - means "I want to do this but I want to be 'made to beg' for it"

D - means "I might like this, but I'd want to discuss it beforehand"

F - means "I want to do this, but I want to be 'forced' into it"

T - means "I might not actually want to do this, but I want to be 'threatened' with it if, for instance, I misbehave (or other stated criteria)"

Very Light, Light, Moderate, Heavy, Severe - means how intensely you would like an activity to be performed on you or by you.

There is intentionally some overlap between categories. Unless otherwise stated, the Sub is the recipient/target of the activity.
